Reviews

This ebook is very gripping and fascinating. Sure, it is engage in, nevertheless an amazing and interesting literature. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Ms. Ora Buckridge)

THE PREPARATION OF ORGANIC COMPOUNDS (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.Excerpt from The Preparation of Organic Compounds In the present volume the Author has aimed at giving a general outline of the methods actually employed in preparing organic compounds, and thus providing not only a laboratory manual, but also a book which may be used as a companion volume to the usual theoretical text-books. In the first chapter will be found a short description of the most common apparatus and reagents used in preparative organic work; and although some of the apparatus described may be regarded as rather crude for academic practice, it must be borne in mind that the average works laboratory, at all events in this country, is not fitted with all the latest refinements, and that one of the chief difficulties experienced by the young chemist on first entering works is to adapt himself to his environment. Although to some minds the idea of carrying out chemical preparations in sauce-pans, jam-pots, c., may seem rather bizarre, experience will show that such apparatus is quite as satisfactory and considerably less expensive than the more conventional and more brittle beakers and basins. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
