

Where Would You Like Your Nipple?: Navigating the Breast Cancer Abyss with Humor and Hope

By Mackenzie Crowne

Createspace, United States, 2012. Paperback. Book Condition: New. Lisa Scholder (illustrator). 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Cancer. Though it's not a four-letter word, it sure conjures up a lot of them. I won't say the first word that popped into my mind, and out of my mouth, when I received the diagnosis of stage III breast cancer - it's a bad word, my mother would be horrified. I can tell you it wasn't Whoopee! Many other four-letter words quickly joined that first, shocked sentiment. Fear, sick, pain, loss, hell, dead. You get the drift. If you've received a similar diagnosis, or know someone who has, I don't want to scare you. You're scared enough already, and have probably experienced many of those words yourself, but, though your fears are justified, I can share one four-letter word that trumps all others. Hope. I am a survivor. You can be too. Victory is ours!.

Reviews

Merely no words to explain. I really could comprehend everything out of this published e-book. I found out this publication from my dad and I suggested this publication to learn.

-- Prof. Margarita Ledner PhD

This written pdf is fantastic. It normally is not going to expense a lot of. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- Gilbert Stroman
