

## Chess Versus Checkers: The Secret to Game Changing Interviews (Paperback)

By Jack Ryan

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Do you have a dream job in mind, but think that you don't have the experience or qualifications to land the position? Can you think of a time that you lost a job to someone when you thought you were more qualified? What if I told you that dream job is in reach right now. There is a way to be certain you landed the career you are after before you leave the interview. The secret is understanding the hidden language of the interview. This book will enable you to decode the questions your interviewer poses to you to understand exactly what information they are after. We then go one step further and teach you how to craft responses using this hidden language that will resonate with your interviewer so they see you as not only the best option, but the only option for the position. This book is a road map to the career of your dreams. Its time to change the interview game and start playing chess while your competition is still playing checkers.
