HarperCollins Publishers. Paperback. Book Condition: new. BRAND NEW, Is a Camel a Mammal?, Tish Rabe, Jim Durk, "From fruit eating bats to smart chimpanzees, from moles in their holes to seals in the seas", Dr. Seuss' famous Cat in the Hat takes young readers on a fun-filled tour of the world of mammals. This title forms part of a series of books that takes a look at natural history through a fun combination of Seussian rhymes and zany illustrations. Aimed at beginning readers - from four to seven years old - the books are designed to bridge the gap between concept books written for preschoolers and more formal non fiction titles that require fluent reading skills. By presenting the facts in a lively and rhythmic manner, they provide the critical foundation upon which complex facts and ideas can eventually be built.
