Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.

MATERIAL GIRL (PAPERBACK)

Amazon Publishing, United States, 2013. Paperback. Condition: New. Reprint. Language: English . Brand New Book. In the first book of The Fancy Lives of the Lear Sisters trilogy, a spoiled socialite discovers the best things in life are worth working for. For socialite Robin Lear, being handcuffed in the back of a police car for a bogus crime is the cherry on top of the worst week ever. First, her father announces devastating news. Then, in a fit of tough love, he demotes Robin from her cushy job in the family business and reassigns her to work for an insufferable manager. Now, for the first time in her life, Robin will have to earn her place in the world -- and the sexy new contractor renovating her house may be just the man to show her how. One look at beautiful Robin Lear is all Jake Manning needs to know that she s just another trust-fund baby who s never done an honest day s work. Getting involved with a woman like her would be a disaster -- yet staying away is proving to be damn near impossible. But who knows better than Jake that the best things in life are worth the effort.
