

Portfolio for the Planet: Lessons from 10 Years of Impact Investing

By Tammy E. Newmark, Michele Anne Pena

Taylor & Francis Ltd. Paperback. Book Condition: new. BRAND NEW, Portfolio for the Planet: Lessons from 10 Years of Impact Investing, Tammy E. Newmark, Michele Anne Pena, Rapid growth of the global economy has accelerated the degradation of the Earth's most important asset: the environment. Increasing poverty and challenges arising from climate change further threaten the planet's natural systems. With a rising global population, the demand on natural resources to cover even basic human needs is intensifying - supporting businesses that promote the sustainable use of natural resources and help ensure their long-term viability is imperative. As part of a pioneering movement to harness business towards effecting environmental change, The Nature Conservancy launched EcoEnterprises Fund in 2000 to provide investment capital to grow small "eco"-businesses in Latin America. There is a compelling need for financing this niche. Companies of this size truly drive change - creating the engine for economic activity and generating livelihoods for bottom of the pyramid rural peoples which brings about positive social and conservation impacts. EcoEnterprises Fund's portfolio highlights twenty-three cutting-edge companies, in expanding sectors such as organic agriculture, ecotourism, sustainable forestry, and non-timber forest products which include innovative industry first-movers-from organic shrimp to biodynamic flowers,...
