THE VITAL IDEA (BEGRIFF) OF RELIGION. Proper exposition demands amplification. Amplification means addition as well as subtraction from the text. In this chapter I add much and subtract more. I merely follow the outline given by Hegel, and do not misrepresent his thought. I develop the inferences and implications suggested to my mind, rather than give a direct exposition of the text. If it is not Hegels Philosophy of Religion, it is Hegelian in method and spirit. Hegel begins this part of the work with the question, What is our starting-point, and how have we won it In the work of the Logic, God the Absolute Idea, the vorjo-R voqrew, the Categories of categories, is found to be the ultimate reality, the thought which alone has being in itself, and which imparts whatever measure of thought and being that all else has...

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Ally Reichel

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
