YOU CAN T POLISH A TURD! (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.No doubt, the English really have a good sense of humour! However, did you know that their language itself is absolutely hilarious? Beyond the phrase It s raining cats and dogs! , often taught in French schools, the English language abounds with hilarious phrases and, for some of them, very cheeky (not to say rude), that this book invites you to discover. What do you think the English mean when they say: I ve got a bee in my bonnet or You can t polish a turd! or even She s dog s bollocks, this girl! ? The phrases are introduced in context through five hilarious anecdotes depicting two young Frenchies trip to discover England. There is a glossary in both languages after each story to help you check and appreciate the meaning of these phrases selected with care. This book is aimed at adult readers with a good sense of humour and/or an interest in the English language and culture. The ideal gift for your family or friends. Also the perfect guide for College or University students in need of a motivational boost in their English studies! There is another version all in French On ne peut pas polir une crotte! for less advanced readers who would still like to appreciate the English sense of humour. Also available in a special edition You can t polish a turd! Special edition containing even more English phrases and a picture quiz to learn with even more fun or have fun with your family or friends. Sans aucun doute, les anglais ont vraiment le sens de l humour ! Mais saviez-vous que leur langue elle-meme, est a mourir de rire ? Bien au-dela de...
