NOMINATED FOR THE 2017 ANTHONY AWARD FOR BEST NOVEL When the good guys can't save you, call a bad guy. A family's holiday video goes viral when it captures the moment of a terrorist attack. In the background, it reveals a witness long thought dead. The organisation the man agreed to testify against will stop at nothing to silence him, but Special Agent Charlie Thompson won't let that happen. Charlie turns to Michael Hendricks. He has history with those threatening the witness's life and getting involved will lead him right to them. All he has to do is enter an active crime scene and find someone with good reason to hide. With his skills, he figures it'll be easy. But nothing about this story is what it seems.
