This ebook is worth acquiring. Better than never, though I am quite late in start reading this one. You will not truly feel monotony at any time of your own time (that's what catalogues are for about if you ask me).

Ruth Rumack s Learning Space, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Alpha-Mania Adventures is an innovative five-book series that ignites imagination and gives pre-reading children the foundation to become successful readers in the future. These exciting and colorful stories are the perfect tools to teach pre-reading skills through play. Storytime at home or in the classroom becomes fun and educational. Each adventure combines the heroic quests of five intrepid kids with phonological awareness and phonics, the first two components necessary to become a good reader. The Fantastic Floating Feast (Book 3 of 5) practices alliteration. Alliteration is the repetition of the initial sound in a series of words. For example, the phrase marvelous monkeys munch on muffins is an alliterative phrase because all four words begin with the sound /m/. Once on board, the kids quickly determine that their pirate friends no longer speak in rhyme, but rather in alliterative phrases. After much merriment and fabulous food, the gang realizes that the ship has accidentally set sail. The Alpha-Maniacs must help the bumbling pirate crew right their ship and return to Letter Lagoon before nightfall. Every Alpha-Mania Adventures book includes: An introduction to phonological awareness and tips to use the book to its maximum benefit An exciting story that will charm young audiences A Find the Hidden Objects phonics activity embedded in the illustrations Bonus Activities related to phonological awareness, phonics, and/or letter formation Easy-to-use guides on Letter Sounds and/or Letter Formation Join the Alpha-Maniacs on their third of five phonological pirate adventures with The Fantastic Floating...
