ZERO IN THE ASTADHYAYI

Aditya Prakashan, New Delhi, 2008. N.A. Condition: New. 66p., 22cm., Paninis concept of zero replacement is regarded as one of his greatest achievements by scholars of Sanskrit as well as linguists. In a highly technical language he established various kinds of zero, differentiating them with regard to the scope of their application and their effect on the remaining word forms. This booklet is the first systematic collection, analysis and classification of all occurrences of zero replacement in the Astadhyayi.

Reviews

This ebook is great. It is definitely basic but shocks from the 50 percent of your publication. Its been printed in an exceedingly basic way and it is only right after i finished reading this book where basically changed me, modify the way in my opinion.

This is the finest book i have got study right up until now. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.
