McGraw-Hill Education - Europe, United States, 2017. Hardback. Condition: New. 13th edition. Language: English . This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. Designed for the one-semester anatomy and physiology course, Hole s Essentials of Human Anatomy and Physiology assumes no prior science knowledge and supports core topics with clinical applications, making difficult concepts relevant to students pursuing careers in the allied health field. The learn, practice, and access system is used throughout the textbook and digital. Learning Outcomes at the beginning of each chapter set the stage for what students will learn, Practice questions at the end of each major section help check their recall on what they just read, and Assess end of chapter resources help students confirm their accurate recall of what they just learned and practiced. Th learn, practice, and assess system is highly effective in providing students with a solid understanding of the important concepts in anatomy and physiology.
