

Psychotherapy: An Introduction for Psychiatry Residents and Other Mental Health Trainees (Paperback)

By Phillip R. Slavney

JOHNS HOPKINS UNIVERSITY PRESS, United States, 2005. Paperback. Condition: New. New. Language: English . Brand New Book. Many psychiatry residents and other mental health trainees begin their careers as psychotherapists with a mixture of enthusiasm and apprehension: enthusiasm at the prospect of using only words and actions to help someone in distress; apprehension about whether they are capable of doing it. In his latest book, Phillip R. Slavney helps these students get started by discussing such fundamental issues as what makes psychotherapy work, what is important in a psychotherapeutic relationship, and whether psychotherapists should have their own psychotherapy. Slavney draws on his long experience as a psychotherapist and teacher of psychotherapy in a confidence-building book that is both practical and scholarly.

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Ally Reichel

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).

-- Prof. Kirk Cruickshank DDS
