Reviews

A high quality pdf as well as the typeface applied was exciting to see. It really is written in simple words and phrases rather than difficult to understand. You will not really feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).

The spot where tradition places the baptism of the eunuch is in a little brook passing through some of the finest wheat land now in Palestine. Chariots (v. 27) could not be used in any part of modern Palestine, excepting the road from Jerusalem to Jaffa. There must have been good roads in the days of the apostles. Many of them are with difficulty passable by animals now. The brook where there was water (v. 36) is a meandering stream in the plain, dry in Bummer, but having always some water during the winter and spring. Ethiopia is the region now lying south of Egypt, and might require a journey of 1500 miles to reach Jerusalem. This shows how widespread were the Jews, in consequence of wars and from being sold as captives in war. It is quite possible that this Ethiopian treasurer was a native of Syria. It shows too how the Jews were early very highly skilled in finances, an art in which they excel now, as witness the Rothschilds and others of great wealth and financial...
