NECESSARY RISK

Little, Brown Company, United States, 2016. Paperback. Book Condition: New. 172 x 125 mm. Language: English . Brand New Book. Former child star, Sierra Blake has been in the business since she was five years old, but now, at thirty, her career has flat-lined. While waiting for the right role to come her way, Sierra has found fulfillment as a spokeswoman for a women s health organization, despite escalating harassment and stalking from a rival group who does not agree with her views. After Sierra is physically attacked and her home is vandalized, she knows she needs serious protection. Sean Owens knows he is capable of taking over his dad s security company and after working there for almost a decade he has one final test between him and taking over the company: protecting Sierra Blake from her stalkers. While Sean anticipates that this high-profile gig will get him the job he wants, he doesn t anticipate falling for his client. Sierra s gorgeous, funny, smart, and they have more chemistry than a nuclear fusion lab. But when Sierra agrees to a date with Hollywood s sexiest man alive, Rory O Shea to help get her career back on track, Sean can barely contain his jealousy. Even though he loathes watching Rory and Sierra together, he won t risk leaving her unprotected. As the harassment escalates, so does Sierra s and Sean s attraction to each other. But dating Rory has placed her back in the public eye, giving her a shot at a major audition and rebooting her career. When the chemistry between Sierra and Sean threatens to explode, she ll have to make a choice: Rory and the Hollywood career she s worked for her entire life, or Sean and the unexpected love and safety she never realized...
