

The Civil War Centennial Handbook (Paperback)

By William H Price

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.It is also a story of the human toil and machinery that produced more than four million small arms for the Union Army and stamped from copper over one billion percussion caps for these weapons during the four years of war. Inside the Confederacy, it is the story of experiments with new weapons-the submarine, iron-clad rams, torpedoes, and landmines-in an attempt to overcome the North's numerical superiority. It is the purpose of The Civil War Centennial Handbook to present this unusual story of the Civil War, a mosaic composed of fragments from the lesser-known and yet colorful facts that have survived a century but have been obscured by the voluminous battle narratives and campaign studies. Much of this material, when originally drafted, was selected by the National Civil War Centennial Commission for their informative and interesting Facts About the Civil War.

Reviews

Basically no terms to clarify. It is actually written in basic terms rather than confusing. I found out this ebook from my dad and I suggested this book to find out.

-- Elinore Vandervort

If you need to add benefit, a must buy book. I could possibly comprehend every little thing out of this composed e pdf. I am quickly could get a enjoyment of looking at a composed book.

-- Mrs. Mariam Hartmann
