Createspace Independent Publishing Platform, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This is the story of my 1998 breast cancer and mastectomy (with no reconstruction). The book deals primarily with the surprising emotional benefits I gained. The five appendices offer a wealth of practical information on risk factors for breast cancer, ways to help prevent it, and much more. Beautiful, moving, informative, uplifting. A terrific read - well-written, frank, and honest.
