Outskirts Press, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. The MATRIX OF WISDOM is all about God s Ambiance residing in the soul of the individual. This volume is about unraveling the deep mysteries of God esoterically codified into the world s sacred scriptures, literature, artworks, monuments and architecture in all times and climes via the ESOTERIC SCIENCE: i.e. the harmonious integration of the Seven Liberal Arts: Quadrivium (Four Mathematical Sciences) and the Trivium (Three Grammatical Arts) that are the foundations of the ancient Mystery Schools. The MATRIX OF WISDOM is a 10 x 10 matrix that is the original source material that wrote the sacred scriptures in all religious cultures around the world. From the mystical depths of this 10 x 10 matrix China created the I Ching and the Tao te Ching, Buddhism created their Stupas, Hinduism and Christianity builds their temples, cathedrals and churches, numerous cultures around the world built their pyramids based upon it schematics and the Native American Indians knew of it, Astrology and the Game of Chess were developed from it, and Pythagoras developed his mathematical theorems from it, and Freemasonry is founded upon it and the city of Washington DC is built on its esoteric design and this latter is provided for in the United States Constitution, Article 1, Section 8; however, this matrix is never-ever discussed explicitly to the general public. Throughout this volume there will be a continuous tsunami of demonstrable evidence directly and indirectly challenging the status quo of academia and the orthodoxy of all religions around the world. The WORD OF GOD will be discussed mainly from the perspective of the Judaeo Christian Scriptures, the secret teachings of the Roman Catholic Church s literature, artwork, monuments and architecture and Freemasonry symbolism...
