

## Healing, It s Yours (Paperback)

By Paul Bopp

Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This booklet is a short and concise teaching instead of a full length book filled with theology about healing. Often times we focus so much upon how something works or why things are possible, that we just never get around to believing by faith that God s Word is truth. Inside this cover, you will be exposed to what scripture has to say about God s healing power, not what people, churches or man s traditions have to say. It will not answer every question you ever had about healing, but it will build up your faith in a hurry in order to trust God and receive your healing. The Biblical truths that are presented here not only bring physical, emotional and spiritual healing for yourself, but you can also use them to minister healing to others.
