Orangevale CA Images of America

By Paul J. P. Sandul

Arcadia Publishing. Paperback. Condition: New. 128 pages. Dimensions: 9.2in. x 6.5in. x 0.4in. Nestled between the capital city of Sacramento and California's famous Sierra foothills, Orangevale continues as a semirural community in the ever-suburbanizing Sacramento Valley. Some of Sacramento's most prestigious captains of industry formed the Orange Vale Colonization Company in 1887 to sell off this agricultural colony. With promises of a water system, modern infrastructure, and beautiful homes, these boosters advertised a pastoral paradise where colonists could grow prized crops, escape the buzz of the city, build a home, and raise a family in the country without sacrificing a short commute. Farming remained profitable until nature wreaked havoc during the Depression by freezing most of the harvest. While some crops and orchards survived, the construction of bridges, highways, and large business centers gradually transformed this simple town into a modern suburb, where residents still enjoy a rural, small-town feel. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.

Reviews

This created ebook is great. It was written very properly and useful. It's been printed in an exceedingly easy way in fact it is just right after I finished reading this pdf where basically modified me, alter the way I think.

-- Aglae Becker

This ebook is definitely worth buying. It is definitely basic but excitement within the fifty percent in the ebook. It's been designed in an extremely straightforward way which is merely following I finished reading this ebook where basically changed me, alter the way in my opinion.
