HALEYS COMET

220 Communications. Paperback. Book Condition: New. Brett T. Brown (illustrator). Paperback. 214 pages. Dimensions: 8.9in. x 6.0in. x 0.6in. Brett T. Brown wrote his first story at the age of 10. The now 16 year old Cleveland, OH author illustrator has carried that urge into his teen years and has produced his first book, Haleys Comet (220 Publishing). A fantasy adventure with a touch of humor showcases Browns unique writing talent, Haleys Comet touches on many themes teens and pre-teens experience, including moving to a new neighborhood, relationships with parents and siblings and even bullying. Brown discussed his reasoning behind the plot for Haleys Comet I put Haley in situations that some people might find hardening, like when her mom is kidnapped by aliens. I saw it as a situation in which I didnt have my mom around, and how disoriented I would become if something ever happened to her. Some of the book is fictional, while some parts directly or partially relate to my life. Its almost like a biography of someone else, but you feel like youve lived part of their life. The wise beyond his years author offers advice to other budding writers. I know a lot of kids who are excellent in my view at sports, writing, art, but not enough confidence. When I wrote my first book, my mom noticed. She was immediately impressed, and she always urged me to keep writing. Since middle school, Ive had the pleasure of having English teachers who have seen my writing, and theyve acknowledged it and encourage me to keep writing. If you want to write, go for it! Dont just blend into the background, spread the word. There are too many good young writers in the world that havent been discovered. Do everything you can do to get...
