LASSIE (1954 TV SERIES)

Alphascript Publishing. Taschenbuch. Condition: Neu. Neuware - Lassie is an American television series that follows the adventures of a female rough collie named Lassie and her companions, human and animal. The show was the creation of producer Robert Maxwell and animal trainer Rudd Weatherwax and was televised from Sunday September 12, 1954, to Sunday March 24, 1973. One of the longest running dramatic series on television, the show chalked up seventeen seasons on CBS before entering first-run syndication for its final two seasons. Initially filmed in black and white, the show transitioned to color during the 1960s. The show's first ten seasons follow Lassie's adventures in a small farming community. Fictional eleven-year-old Jeff Miller, his mother, and his grandfather are Lassie's first human companions until seven-year-old Timmy Martin and his adoptive parents take over in the fourth season. When Lassie's exploits on the farm end in the eleventh season, she finds new adventures in the wilderness with a succession of United States Forestry Service workers. After traveling without human leads for a year, Lassie finally settles at a children's home for her final two syndicated seasons. 128 pp. Englisch.
