Jan Arriens has written a book of stories that speak of Quakers living faithfully from the 17th century to the present day - finding practical ways to defeat slavery, protesting against nuclear weapons, discovering individual journeys to peace, simplicity, truth and equality. These stories will appeal to young and old. Next time someone asks me Who are the Quakers? or What do Quakers believe? I think I ll just give them this book. - Steve Whiting, Secretary to Quaker Peace Social Witness Testimonies Committee.
