HarperCollins Publishers. Paperback. Book Condition: new. BRAND NEW, This Little Britain: How One Small Country Changed the Modern World, Harry Bingham, Celebratory, witty and incredibly insightful, Harry Bingham explores the eccentricities and customs of the British nation in a bid to answer a question which has everyone debating -- Who are we? British medical and public health innovations -- vaccination, integrated mains sewerage, antiseptic surgery -- have saved far more lives than all other medical innovations put together. And why stop there? The British empire covered a quarter of the earth's surface but used an army smaller than that of Switzerland to exert its rule. The world speaks our language. Our scientists have won vast numbers of Nobel Prizes. The evolution of 'habeas corpus', trial by jury and the abolition of torture aren't purely British in inspiration, but owe more to us than to anyone else. Our parliamentary democracy has been hugely influential in spreading...
