### **Reviews**

*It is one of the most popular pdf. It really is full of knowledge and wisdom. It has been developed in an exceptionally easy way and it is just right after I finished reading through this publication by which it really altered me, altered the way in my opinion.  
(Dr. Alexa Rogahn)*

## TRAVERSE CITY STATE HOSPITAL (PAPERBACK)

Arcadia Publishing (SC), United States, 2005. Paperback. Condition: New. Language: English . Brand New Book. Northern Michigan Asylum, which opened in 1885, was known during most of its years as Traverse City State Hospital. It was run during its first decades by Dr. James Decker Munson, who left his legacy in the landscaped grounds and the medical center that today bears his name. Traverse City State Hospital served the mental health needs of a large part of Michigan for 104 years until its closure in 1989, housing a population as large as 3,000 in its many buildings. This book traces the history of this great institution, from the local and mental health context in which it was founded, through its growth, development, and decline, and finally to its renovation and preservation as a vital part of the Traverse City community. More than 200 photographs and images are provided, including many of the features and buildings long gone.
