

A Popular Handbook to New Zealand: Its Resources and Industries (Classic Reprint) (Paperback)

By Arthur Clayden

Forgotten Books, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from A Popular Handbook to New Zealand: Its Resources and Industries In issuing a Second Edition of A Popular Handbook to New Zealand I have not thought it necessary to make any alterations. The latest statistics of the Colony reveal a steady progress, and my recent visit has but strengthened the convictions already expressed. Owing to the low prices of the staple products there is considerable agricultural and commercial depression, but as low prices mean more general comfort, the traveller in New Zealand fails to realise in the depression more than a passing phase. The determination of the Government to render assistance to practical British agriculturists desirous of settling in the Colony, points to an important development of the agricultural resources, and should add greatly to the general prosperity. I have been surprised at nothing more, during a recent exploration of the Colony, than the extent of cultivatable land yet unoccupied. In the Waikato district, on the North Island, I have ridden through tens of thousands of acres which are probably as fertile as any portion of New Zealand, but the wild...
