Balboa Press, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Who would have thought that a regular hygiene appointment could inform you about oil pulling, grounding, organic fruits and vegetables, or grass-fed meat? What about bio-individuality, chi energy, ozone therapy, CRP levels, and proper digestion? This book shows you just that. Eliminating metals--especially Mercury--from your mouth, together with a detox program, results in amazing improvements in the health of gums and teeth. Learn how to fight stress--the great secret to combat inflammation and bleeding and to build a positive mind! Because we are all unique, everyone s saliva is different--thick, ropy, or watery--their pH is different, the amount of calculus/tartar deposits is different. Differences depend on lifestyle, bio-individuality, stress, work environment, relationship status, and so on; therefore, no answer fits everyone, no diet fits everyone, and no cleaning fits everyone!.
