Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The New Comedy If, within this essay itself, there does not appear to be enough justification for grouping the Middle and the New Comedies under one head, its value is half destroyed. Yet it is worth recording that the distinction, as held until recently, is not mentioned by any one before the age of Hadrian. For, besides the anonymous authorities quoted in the essay, the Middle Comedy is unknown to the earlier Alexandrians, to Quintilian, to Velleius, to Harpocration, to Dorotheas Ascalonita, to Plutarch, and to the Roman grammarians who lived before the death of Trajan. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
