Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Pro Se Productions gladly commits THE FIRST SYNNS: THE BLOODSTONE CONFIDENTIAL, the first of a new series of supernatural pulp thrillers by noted award winning author Teel James Glenn. Complete with chills and thrills harkening back to the classic Pulp, THE FIRST SYNNS introduces the first sibling duo in Pulp history, ready to take on whatever horror flies their way! Years ago Gideon Synn tried to save Faith Bloodstone from a deadly family curse in upstate New York. He failed and Faith died at the hands of a mysterious blood drinking fiend. Synn ran from his failure and became a world traveler, joining the French Foreign Legion and eventually becoming a mercenary in China. Now, years later he has opened a security firm with his sister Kathy. Charity Bloodstone, Faith s younger sister, comes to him for help against the same curse-the supposed vampire ghost of her ancestor, Justice Bloodstone! According to legend, Charity has only one week to live! Several people have been killed by what appears to be the undead Justice in ways that suggest a supernatural cause. The Synn siblings are drawn into a whirlwind of terror and evil as the mystery of the vampire murders comes closer and closer to fulfilling the curse. Has Gideon found love with Charity only to lose her to dark forces? Who are the armed thugs that have attacked the siblings? Can Kathy Synn keep her brother out of trouble long enough to solve the mystery of the Bloodstone Confidential? THE BLOODSTONE CONFIDENTIAL is a nice entry into this book series. Hopefully, Glenn can come up with enough clever plots and enemies to throw at Synn for numerous further adventures....
