By Fred B Kilmer

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Story of the Papaw The Story of the Papaw is a unique and valuable contribution to the literature on this famous plant. The author speaks from authority, for he devoted some ten years of almost continuous study and research on the Carica papaya and its peculiar digestive ferment. His investigations extend from the plant in its habitat to the most thorough study in the laboratory. The basis of this publication was originally an address given at a pharmaceutical meeting of the Philadelphia College of Pharmacy, May 31, 1901. It was later published in the Journal of Pharmacy and is here reproduced in shortened form with the consent of the author. It is with pleasure and confidence that we present to the medical profession this most entertaining story of the papaw. On the last pages of the pamphlet we have added a statement giving the physiological and therapeutic action of Papoid, the true ferment of the papaw. We believe that this publication will clear up many of the misstatements which have appeared in reference to...
