Memoirs Publishing, United Kingdom, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Disasters are a fact of life and can happen suddenly, anywhere and at any in World Disasters time. How we deal with disaster strengthens our character and helps us to cope when another disaster occurs. In these stories six young children survive the particular disaster they face. Some had faith in God, some weren't sure if God really cared about them and one didn't know God at all. Where was God when each disaster struck? He was there right in the middle of it helping and strengthening each child whether they prayed to Him or not. God didn't remove the disaster but helped them through it whether it was an enormous disaster like the Tsunami, Earthquake or the Drought or a smaller one like the Hurricane, Flood or Fire. When we put our trust in God, our faith grows. Follow these children as they face up to their disaster. (These are not real children but they are real disasters.).
