TODDLERS: 5 BOOKS IN 1: TODDLER DEVELOPMENT, TODDLER DISCIPLINE, TODDLER PARENTING, POTTY TRAINING SLEEP TRAINING (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.They re not so big in size, but their screams could burst eardrums and their habits can really drive you nuts. There is no need to dress these little monstrosities up in a devil s costume. That s right; we are here to discuss possibly the most talked about stage of child development that s right up there with the adolescent stage: the toddler stage. Cue the music for the Terrible Twos! This book aims to serve as your one-stop-shop for advice and methods of dealing with some of the most pressing developmental and behavioral issues of this very important phase of your child s life. The contents of this book include the following: - A peek inside the world of your toddler. Learn how toddlers perceive the big wide world around them. - Information about all the physical changes your toddler is enduring. - Discussion about the many neurological developments that are occurring in your toddler s brain. - Learning how to think like a toddler so that you can interpret and understand the world like they do. - Tips, tricks, and hacks to getting through sleep training and potty training. - 7 techniques for effective toddler discipline, and much more. This book is all about changing our mindsets not to necessarily think like our toddler(s), but to get on a level where you can not only assist them in proper healthy development but also truly get along with your child on a basis that not many parents ever get to. It is time to accept that your precious baby is no longer helpless. It is time to embrace your child s developments with other actions other than screaming back at...
