

The Premature Burrial (Paperback)

By Edgar Allan Poe

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The Premature Burial is a horror short story on the theme of being buried alive, written by Edgar Allan Poe, and published in 1844. Fear of being buried alive was common in this period and Poe was taking advantage of the public interest. In The Premature Burial, the first-person unnamed narrator describes his struggle with things such as attacks of the singular disorder which physicians have agreed to term catalepsy, a condition where he randomly falls into a death-like trance. This leads to his fear of being buried alive (The true wretchedness, he says, is to be buried while alive.). He emphasizes his fear by mentioning several people who have been buried alive. In the first case, the tragic accident was only discovered much later, when the victim s crypt was reopened. In others, victims revived and were able to draw attention to themselves in time to be freed from their ghastly prisons. The story has been adapted to a film.

Reviews

It in one of the most popular ebook. It usually fails to price an excessive amount of. Its been printed in an extremely basic way in fact it is merely right after i finished reading through this book in which really altered me, change the way i believe.

-- Sigrid Brown

Absolutely one of the best pdf We have ever read. I really could comprehended every little thing using this written e book. I am easily could get a satisfaction of reading a written publication.
