Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.If you have wondered whether The Book of Revelation has already accurately prophesied the future, then you can stop wondering. It has, with jaw-dropping accuracy, which we spell out for you in this book--about the only place where we actually use quotations from other sources to present the evidence. This book is designed to give you that level of understanding without a lot of academic research. Just plain-talk. That is because Jesus has presented us three modern revelations in 1852 and 1908 with the specific purpose of interpreting John s Book of Revelation. Nor will we try to convince you that Jesus wrote all these books, or any of these books; but we will present them honestly, then ask you to decide for yourself. If you think this may be the first credible interpretation of The Book of Revelation in the last 2,000 years, then you are invited to read the parent of this book titled A Simplified Interpretation of THE BOOK OF REVELATION, Based Primarily on Three Modern Revelations Given to Us by Jesus in 1852 and 1908. There you will find about 40 direct quotations from these three books to support these conversational narratives. But if all you want is a simple, conversational POCKET MANUAL TO UNDERSTAND THE BOOK OF REVELATION without all the rest of this...
