Reviews

This pdf might be well worth a study, and a lot better than other. It really is simplistic but excitement inside the fifty percent in the book. Its been printed in an exceedingly straightforward way which is just after i finished reading this ebook through which really modified me, modify the way i believe.

Amsterdam Publishers, Netherlands, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Are you an Indispensable Assistant? Six Core Soft Skills for Indispensable Assistants - Do you suffer from lack of recognition while being an amazing Assistant? - Do you want to be more confident and reap benefits of a strong sense of pride? - Have you lost your balance in life and sacrificed most of your private life to your profession? This personal development series for New Generation Assistants is the instant booster for your soft skills and confidence. We are finally breaking free from the old-school image of secretaries and the invisible back office staffer. We now live in a fast-moving digital world that has no international boundaries. Multiple employers, economic struggles and cutthroat competition has made New Generation Assistants adapt to moving business structures, complex managerial duties, changing technical provisions, multilevel teams and 24/7 information flows. Assistants now are masters of change. More than ever before, assistants are magicians of making things happen. We filter a universe of options in a split second and make informed decisions. We lead, we manage: we are stepping out of the shadows! To be and do all that you need a stealth mode personality core. The beauty, the value and the qualities of the New Generation Assistants are hidden in the person behind our profession. Who you are on the inside, what you think and what you value are the driving forces. What determines your results is defined by your mindset. How you act in crisis situations is enforced by what makes your own persona stand out. Your mindset is the multiplier of your skills. We are moving away from the knowledge age and entering the creativity era. A transition that will define a new world,...
