Naklada Nediljko Dominovic, Zagreb, 2010. Soft cover. Condition: New. The book deals with descriptive cataloguing and is a useful handbook for usage of the Anglo-American Cataloguing Rules AACR2, which are strongly connected to the MARC21 format for machine readable cataloguing. The book gives many useful examples and comments on this cataloguing code. Although the Croatian praxis is based on Veronas's national cataloguing code, this handbook will give insight in slightly different and widely used cataloguing principles.
