THE RETAIL REVOLUTION (HARDBACK)

[DOWNLOAD](#)

Picador USA, United States, 2010. Hardback. Condition: New. Language: English . Brand New Book. Wal-Mart is the world s largest company and it sets the standard - both social and commercial - for a huge swath of the global economy. In this probing investigation, historian Nelson Lichtenstein shows how the company s success has spread evangelical Protestantism into the workplace, made South China an American workshop, and pushed American politics to the right. At the same time, he anticipates a day of reckoning, when challenges to the Wal-Mart way, at home and abroad, are likely to change the far-flung empire. Insightful, original, and steeped in the culture of retail life, The Retail Revolution gives a fresh and necessary understanding of the phenomenon that has reshaped international commerce.
