THOTH'S MESSAGES TO HUMANITY: BOOK 1

Friskt vÃgat. Paperback. Condition: New. 218 pages. Dimensions: 9.0in. x 6.0in. x 0.5in. I have come down to Earth to communicate with you for several reasons. One is to be present among humans with teachings before the new Golden Age of Light. Another is to awaken your inner knowledge that has been hidden since the fall of Atlantis. A third is to help humans free themselves from fears, traumas, and blockages that prevent them from walking their chosen path. All this in order for humans to find love for themselves, open their hearts, and understand their own greatness with the great transformation approaching. During previous centuries, very complicated explanatory models of the great esoteric questions were presented. My model is very simple, so simple that everyone should be able to understand his or her individual place in the Universe. I hope you can incorporate this knowledge in your lives. The time is now ripe for you to again get access to the long-ago hidden knowledge from the eras of Atlantis and Lemuria. Through this book, visit twelve sublime pyramids and get access to the keys that open up the knowledge. -Thoth Life, just like time, is an illusionary tale that we direct ourselves. All humans are born with a task, a unique gift, or a vocation. My mission is to convey knowledge and messages from a powerful creative energy; an energy who, following a request from humans, finally declared that his working name on Earth is Thoth. Thoth is the demigod that we have all heard of in Egyptian mythology. He is a pure, loving energy and a good friend who gives me and those he meets a sense of security, warmth, and wisdom. He says that what he has conveyed so far is only a small fraction of who he is...
