The Good of This Place

By Richard H. Brodhead

Yale University Press, United States, 2010. Paperback. Book Condition: New. 216 x 137 mm. Language: English . Brand New Book ***** Print on Demand *****.This eloquent collection of essays and speeches by Richard H. Brodhead addresses issues of importance to institutes of higher learning and to those who participate in them. As the popular Dean of Yale College from 1993 to 2004, Brodhead was involved in every aspect of undergraduate education-curriculum, faculty appointments, and student life-and occupied a unique position from which to ponder the ways that college can prepare young people to lead fulfilling lives. One of Dean Brodhead s responsibilities was to welcome new students to Yale at the annual Freshman Assembly, and this book presents his engaging remarks as he simultaneously reassured and challenged them. The later sections of the book range through various concerns of the contemporary university, from free speech and diversity issues to sexual harassment policy, residential education, the assessment of academic programs, and the complex and competing goals of college admissions. At once reflective, witty, and wise, this book speaks to students and educators alike, to all who hope to become-or shape others to become-thoughtful and constructive members of society.

Reviews

If you need to adding benefit, a must buy book. This really is for all who statte that there had not been a well worth reading. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- Claud Bernhard

It is an remarkable pdf which i have ever go through. Of course, it can be play, nonetheless an interesting and amazing literature. I realized this pdf from my dad and i suggested this book to discover.
