As the tenderhearted lad grows up under the twisted rule of his dictatorial grandmother - experiencing physical, emotional, and religious abuse - he runs away at the age of sixteen, collapses on the highway, and is adopted by a benevolent gang of Colorado bikers known as THE BROOD. Within this family, made up of wounded souls like himself, Tyler first begins to trust, falls in love, and learns some very effective ways of shutting out the past. But running from demons, psychological or otherwise, is a tricky business - sooner or later they must be faced. As Tyler does so, he becomes aware of the spiritual battle going on around him...

Totally one of the better pdf I have at any time read through. It really is simplified but shocks within the 50 % from the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.
