Cat-Mothers: Matriarchy 100 Years After the Cataclysm, a Documented Novel (Paperback)

By Pal Meinhardt

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. It is the year 2126, 100 years after the Cataclysm. Ten years of asteroid storms decimated the Earth. Earth is now a Great Sea with a few island chains. The few million survivors are mostly women forming global matriarch republics. The X-Terra project aims to extend the human family beyond the uncertainties of the Earth. Magnetic levitation, solar Dyson spheres, and wormholes provide trails to the stars. Moon and Mars tunnel-towns test home-making away from the Earth. The Visitors suggest we can go home again to Regulus, Sirius, and Orion. Visitors pop thoughts into our heads like soap-bubbles. We ask if Visitors are aliens, they suggest we look in a mirror to see aliens--all critters are aliens and family. When we request definite knowledge, Visitors suggest that searching is more important than finding. We ask about our rapid technological advances. Visitors suggest it s all the result of human searching and imagination. All Visitors admit to is hinting at directions. When we ask, Visitors suggest: that dog will hunt or that dog won t hunt. Is the invitation a...
