

King Leopold's Ghost

By Adam Hochschild

Pan, 2006. Condition: New. In 1898, Edmund Morel, an employee of a Liverpool shipping line, was in Antwerp watching ships arriving from the Congo laden with rubber and ivory, but taking only soldiers, firearms and ammunition back to Africa. He realized that there was nothing traded for the Congolese goods: they had been produced by slave labour. Hochschild tells the horrific story of King Leopold's Congo and describes how Morel mobilized public opinion to combat slavery in the Belgian colony.

Reviews

I actually started looking over this publication. It really is rally interesting throgh studying period. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Dana Hintz

Good electronic book and valuable one. It really is basic but unexpected situations in the 50 percent in the pdf. You wont really feel monotony at at any moment of your time (that's what catalogues are for concerning when you ask me).
