When Emilia Cruz, Acapulco's first and only female police detective, dives into the death of a dirty cop, she could hit the rocks instead of the water. With a blood-spattered crime scene, no witnesses, and the shadow of counterfeit ransom money, the high profile case could be more than Emilia can handle in CLIFF DIVER, the first novel in the explosive new Mexico mystery series. The dead lieutenant led a double life in Acapulco full of illicit sex and financial manipulation, all of which are either red herrings or keys to the case. Missing police files, the lieutenant's involvement with a past kidnapping, and a possible link to a gang working for a drug cartel point the murder investigation in multiple directions. Emilia must call on her fellow detectives for help, but resentment in the squadroom over her new responsibilities runs high, even as another cop becomes her chief suspect. As Emilia pieces together the lieutenant's last hours, she becomes a pawn in an ugly game of corruption, money and power being played by Acapulco's ambitious mayor and a police union strongman with questionable motives. Luxury hotel manager Kurt Rucker has some advice for Emilia but the heat between them quickly becomes a complicating factor. Under pressure from politicians, other cops, and the powerful union, Emilia feels like Acapulco's famous cliff divers, plunging into suspense and praying not to crash on the rocks below. She'll follow her instincts but will she survive if she uncovers the truth? Carmen Amato has taken the classic mystery and given it a contemporary Mexican twist. The result is an adrenaline-charged novel with the emotional vibe of those who live on the edge. See...
