HOW TO DO WELL IN EXAMS

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 52 pages. Dimensions: 9.0in. x 6.0in. x 0.1in. It goes without saying that you will not pass an exam if you do not know your subject, but many knowledgeable and well-prepared candidates fail in exams because of poor technique and presentation. This book is written by a university lecturer who has great experience of setting and marking examinations. Here she shares her knowledge in the form of 80 tips and techniques that will not just get candidates over the pass mark in school and college examinations, but will also help candidates excel. Although this book is pitched at A Level and college students, GCSE students will still find much to help them and should find it a useful introduction to what is to come, especially as school qualification move away from course work. This item ships from La Vergne, TN. Paperback.
