Permuted Press, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book. Jake O Connor has problems. His time spent overseas with Britain s SAS Regiment still gives him nightmares, his social life is in the toilet, and his best friend is an unrepentant adrenaline junkie. Unfortunately, just as things finally seem to go his way, decomposing corpses of the recently dead begin rising to gnaw on the living. Soon the streets are glutted with mindless creatures hungering for only one thing: human flesh. Jake s unlikely group of friends needs to make tracks for some kind of refuge before they end up as Hors d oeuvres, but how to do that without being turned into drooling maggot-heads themselves? Now, a burned out combat journalist, a self-proclaimed adrenaline junkie, a health food store owner, and a ditzzy pharmacy tech, have to hold their own against legions of walking corpses. The author combines tongue-in-cheek humor with a healthy dose of gore-soaked apocalyptic adventure,...
