It s a trick he picked up moving with his father from one Marine base to the next. When you aren t going to be around long, it s better to give people what they want. And what they want are his quick hands and fast feet on the basketball court. On court, he can be himself and ignore certain strange developing urges. Everyone knows you can t like boys and be a jock, but for Danny his growing attraction is becoming overwhelming. At the thought of losing the only thing that matters, Danny starts to panic and realizes he has a choice to make: happiness or basketball.
