## THE LAST MUTINEERS: PROVING GROUNDS (PAPERBACK)

Tepbian Kord Publishing, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Volume 4 of The Last Mutineers series begins just after the Mutineers night of passion with their newfound brides-to-be. If you do so recall, the Elders spent the night working on the warriors Telluric Amplifying Boots (TABs) as well as the Kilmar brothers Algiz Blades. Meaning they are not going to be in the best of moods first thing in the morning. A fact that shows whenever the Mutineers show up in front of Hervald s cabin with the Elders daughters in tow. Now Noslen and Barnabus seem none too pleased with such sights. Showing such distaste by forcefully throwing the pair of TABs in their possession at Roland and Azimov. Only to storm back into the cabin moments later. After a somber farewell with their lovers and the addition of boots to their Kenaz Suits, the Mutineers are off to new destinations. Such being the Mutant Interpolated Training and Environment Simulator (MITES). A simulation in which monsters and environments are seemingly conjured up out of thin air. With only four quadrants to choose from and five of them, someone has to stay behind during their initial run. Hervald takes the opportunity to pull Azimov aside and reveal the big paternity secret that everyone else but him already knows. However, moments after the reveal, Azimov storms off on an emotional tirade. Jumping into the elevator and pressing random keys until it closes and takes him to parts unknown. During the others MITES training, Azimov ends up going for a swim through one of the cavern s freshwater cenotes. Only to end up in his father s personal office at the end of his voyage. Shortly after, Hervald reconvenes with Azimov and the...
