Reviews

It is great and fantastic. I actually have read and so i am certain that i am going to going to go through once again yet again in the future. I realized this ebook from my dad and i encouraged this book to find out.

A JOURNEY WITH TWO MYSTICS (PAPERBACK)

Resource Publications (CA), 2017. Paperback. Condition: New. Language: English . Brand New Book. Having a careful ear and an open heart is vital to understanding the big ideas of the Universe. Two friends, Distefano and Machuga, put this on display here, vulnerably exploring some of humanity's most robust topics: what it means to be human, what it means to be saved, what it means to be lost, and what the meaning of life is. And while the authors agree on many things, including the ultimate fate of humanity, they do not necessarily agree on all the details of how we get there. But instead of agreeing to disagree, they model for their readers what conversations of this variety should look like--agreement with a little pushback, and even some poking fun at one another from time to time. So, as Distefano advises, take your time and enjoy these discussions. They are transparent and hopeful, refreshingly liberating, and are imbued with complete awe toward the goodness of the Creator and her creation. Correspondence between friends is always illuminating. Here, Distefano and Machuga tackle issues close to the heart: what it means to be human, why religion does not work, and why a careful ear for listening to each other is essential to both friendship and knowledge. This is a truly fascinating read of two younger adults navigating their way into post-modernity. --Michael Hardin, Executive Director, Preaching Peace; author of The Jesus Driven Life This book is about the collapse of a Christian worldview, the one that says the thing Jesus saves from is an eternal hell of torment. The anxieties and contradictions of this kind of theology are too awful to sustain, and A Journey With Two Mystics lays them all out with autobiographical clarity in a gentle epistolary exchange between...
