## THE DAY RAVEN FLEW (PAPERBACK)

Mirror Publishing, 2017. Paperback. Condition: New. Blair Kluckman, Madison Juhnke (illustrator). Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Raven, a young housecat, spends his days in boredom watching birds and other animals out the window. He sulks around, saddened at the fact that he wants to be able to run around outside with the other animals. He always had a secret desire to be able to fly just like the birds he watched. His only link to the outside world is a red-headed woodpecker named Stewart who would chat with him through the window screen. Little did Raven know, his small world was about to get a whole lot bigger. One day the other cat that Raven shares the house with, Joey, wakes him from a nap, and after that moment nothing is the same for Raven ever again. He ends up on an adventure of a lifetime, meeting other animals and exploring places he never thought imaginable. Just when he thinks nothing could get any stranger, he learns of a group of animals known as A-POW who will soon play a very big role in his life. Belonging to an ancient family of cats, Raven finds out he is needed to help save Earth from certain destruction in the form of a hideous alien named Cringe. It is up to A-POW to train Raven to be the warrior he is meant to be, and hope that they are not too late.
