

A Citizen s Guide To Impeachment (Paperback)

Filesize: 6.52 MB

Reviews

*Merely no terms to spell out. We have read through and i also am confident that i will gonna read yet again again in the future. You will not sense monotony at anytime of your own time (that's what catalogs are for about should you question me).

Melville House Publishing, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. Impeachment is based upon those offences which proceed from the misconduct of public men, or, in other words, from the abuse or violation of some public trust . as they relate chiefly to injuries done immediately to the society itself. --Alexander Hamilton A non-partisan guide to a precise understanding of the rules and history of impeachment . . . Spotighting in particular the precise rules of impeachment--including an explanation of the crucial grounds for impeachment, the famous high crimes and misdemeanors --the book also details its origins in British law, the rules as set out by the founding fathers in the Constitution, and their application throughout the history of our democracy. That history involves a detailed chronology of the nineteen instances of impeachment that have taken place--of judges, presidents, and officials from the cabinet and congress--throughout American history, including the very first impeachment conviction of an America official: that of a federal judge who seemed to have developed dementia. All of which makes A Citizen s Guide to Impeachment a fascinating read about a unique aspect of our democracy, as well as a useful, one-of-a-kind guide for citizens in a participatory government.
